

Cruise Trading Services: Challenge Accepted

Comprehensive Turnkey Solutions for Global Maritime Refurbishment

No matter how big a challenge you're facing, you will want someone you trust by your side. Someone who shares your moxie. Someone who can turn all obstacles into a success story.

With over a decade of experience, Cruise Trading Services (CTS) is a renowned name and a key player in the global maritime refurbishment market. Leveraging a team of highly skilled professionals, CTS is committed to delivering top-quality services to clients worldwide.

"At CTS, we embrace every challenge with unwavering dedication," says George Touloumis, General Manager at CTS. "Our mission is to provide turnkey solutions that exceed expectations, from concept to final execution."

The company's approach is centered on open communication, adaptability, and a relentless pursuit of quality and innovation. By prioritizing these values, CTS ensures the fulfillment of every client's expectations.

CTS has recently gone through a restyling of its brand image and website.

"Challenge Accepted" is the new company's claim, representing CTS as the best partner even for the most challenging businesses, a reliable partner ready to embrace the client's target as its own.
